

Name: _____

Selected Video Title: _____

Learning and innovation skills increasingly are being recognized as the skills that separate students who are prepared for increasingly complex life and work environments in the 21st century, and those who are not. A focus on creativity, critical thinking, communication and collaboration is essential to prepare students for the future.

The 4 Cs

Creativity and Innovation

Critical Thinking and Problem Solving

Communication

Collaboration

Here's What	Now What?	So What?
Identify core subjects, content, and examples of the 4 Cs.	How might this video change the way you think about your teaching?	What might be the implications for your students?
